

Studio 33 Music & Art – Summer 2015

Art Class Required Materials List

Most materials can be purchased at the **Art Things** (Art Things will keep a complete list of materials on hand to assist you in your purchase) store located in West Annapolis (2 Annapolis Street – 410-263-3520) or online. Please try to stick to the materials and brands recommended here although students who have materials already can bring more than the basic list if they choose. Studio 33 will supply drawing boards, still life setups and cleanup options. Appropriate clothing (i.e. can get messy!) should be worn. A baseball cap or similar brimmed hat to shade the eyes for outdoor painting should also be used.
